Новоково, Мау 121п. 1870. manuer in which foreign trade has become distablished in various parts of China, will scarcely be inclined to assent to the views enunciated by Mr. Robertson, however aptly they may be put. Mr. Manuers is all the form, ecremony apply they may be put. Mr. Manuers is all the form, ecremony to the description of the de memorandum contrasts with the despatch from Mr. Robentson, not only in the nature of the views set forth, but in the manner in which they are supported. The arguments which he uses are entirely based unon memora which he uses are entirely based unon the latter of the despatch of the views at forth, but in the manner in which they are supported. The arguments which he uses are entirely based unon the latter of the despatch of the despatch of the despatch of the views at forth, but in the manner in which he uses are entirely based unon the latter of the despatch of the dirty water into the kitchen, where he millionaires; there is no appeal, and as ne was taking the days of monopoly have passed away, and that the dirty water into the kitchen, where he millionaires; the days of monopoly have passed away, and that the dirty water into the kitchen, where he missing the dirty water into the kitchen, where he missing the days of monopoly have passed away, and that the dirty water into the kitchen, where he missing the dirty water into the kitchen, where he missing the dirty water into the kitchen, where he missing the dirty water into the kitchen, where he missing the dirty water into the kitchen, where he missing the dirty water into the kitchen, where he missing the dirty water into the kitchen, where he missing the dirty water into the kitchen, where he missing the days of monopoly have passed away, and that the dirty water into the kitchen, where he missing the dirty water into the kitchen, where he missing the days of monopoly have passed away, and that the days of monopoly have passed away, and that the days of monopoly have passed away, and that the dirty water into the kitchen, where he missing the days of monopoly have passed away, and that the dirty water into the kitchen, where he missing the dirty water into the dirty water i ments which he uses are entirely based upon pearances and shans, go acting on till, in fasts which are stated in a clear form, and the course of time, they return home where, lead irredistibly up to the conclusions de entering again on the reality of life, they duced from them; while Mr. Rongerson's find themselves no longer surrounded by the arguments rely chiefly upon a mere abstract familiar scenery; and, having been so long view of the question. If the means of transit in China were perfect, there can be no ques -- how to adopt the only tone which graces them, and are now on the latter vessel, on tion that it would not be necessary for all, and which is the surest sign of good sense, foreigners to follow the trade from the great manliness and true breeding. ports of entry and shipment. But these appliances being extremely defective, and the Chiaese being subjected to great restrictions, excepting they are backed by the moral infinence of foreigners, the ease is altered; and Mr. Robertson, H.B.M. Consul at Canton. it becomes necessary for us to foster the las written on the above subject .means of spreading our trade oursolves. The first great aid towards this is steam the recent of your Circular despatch communication to subsidiary centres where (Accountant's Department) No. 11 of the foreigners can reside. This will have the lith July, with reference to the tendency of foreigners can reside. This will have the effect of taking the goods so, far inked from illegal exactions, which will not be the case if the trade be left in the hands of the case if the trade be left in the hands of the case if the trade be left in the hands of the case if the trade be left in the hands of the case if the trade be left in the hands of the case if the trade be left in the hands of the case if the trade be left in the hands of the case if the trade be left in the hands of the case if the trade be left in the hands of the case if the trade be left in the hands of the case if the trade be left in the hands of the case if the trade to pass from the hands of the without servant, and that the occasion of the wished he wished trade in manufactured goods which took import trade in piece goods and manufactures

the trade in left in the bands of the Chinese

J. B. ROBERTSON, Esq., of Mesers Bull, Purdon Eventoon may be said to be living before an audience. Unconsciously to himself, a man shapes his actions with a definite idea wishes and predelections. His ordinary bearing becomes medified by this consideration, and in popular parlance every man, more or of the Indian native merchants.

would form their own ideas, the larger num. various considerations. follows: 30 per cent. to all Contributors of the community among whom they are for they for the for they for th He follows: 30 per cent to all Contributors of will be thought of them. A man no longer that being in Chinese hands will, to use the herreif. Deceased might have been dead 15 or mation with the Treaty of Tientein.

will not suit the audience. They will listen to his godowns and purchases what he man with Avetoning first to Graham-street,

Mr. Consul Ministry or the question of the community for the ulderstages of foreign trade being supported by Consular Establishments, which have a ministry published; stands the despatch of the grand of the consulting for the grand of the community for the whole world. What they approve he does, been already published; stands the despatch of the grand of the consulting for the grand of the consulting for the published; stands the despatch of the consulting for the published; stands the despatch of the consulting for the published; stands the despatch of the consulting for the published; stands the despatch of the consulting for the foreigns by the fact, they published is the foreign steamers or salling-vessels only. Security to life had property in thus clearly by the fact, they put her on the foreign steamers or salling-vessels only. Security to life had property in thus constituted to the foreign steamers or salling-vessels only. What they approve he does, which who can be foreign the content of this first, and constituted to the foreign steamers or salling-vessels only. Security to life had property in thus clearly to life had property in thus clearly to life had property in thus clearly to life had one of the foreign steamers or salling-vessels only. Security to life had property in thus clearly to life had property in thus clearly to life had one of this purposes with the foreign steamers or salling-vessels only. Security to life had property in thus clearly to life had one of this purposes with the original stands the foreign steamers or salling-vessels only. Security to life had one of this property in thus clearly to life had one of this property in thus clearly to life had one of the foreign steamers or salling-vessels only. CONSULAR ESPABLISHMENTS IN

The following is the despatch which CANTON, August 5, 1869. Sir. -I have the horour to acknowledge

known instance of the great increase in the an opinion. At Canton, for instance, the known instance of the great increase in the an opinion. At Canton, for instance, the known instance of the great increase in the an opinion. At Canton, for instance, the known instance of the great increase in the an opinion. At Canton, for instance, the known instance of the great increase in the an opinion. At Canton, for instance, the known is the former ball, a few nights since, a Coat—At pipe—and, after this horrible noise; all is over. Sphere, for ins-representation which never Nyanza, or pottering about the sources of the New Patna, \$535, in small Chinese demand; Now, I ask whether this does not amount to several and opinion. At Canton, for instance, the horrible noise; all is over. Sphere, for ins-representation which never Nyanza, or pottering about the sources of the New Patna, \$535, in small Chinese demand; Now, I ask whether this does not amount to trade in manufactured goods which took place at Chinking, in consequence of the place at Chinking, in consequence of the removal of the Weiquam barrier and which for the Weiquam barrier and which for the Weiquam barrier have been effected had been as imported been effected had been as importance of the removal been effected had been as importance of the part by the report of the report king. Without the constant feeling that fair criterion, owing to its propinguity to the overcoat away," "Oh, no" said the hisband. there are officials within a short distance to Colony of Hongkong, to which the Chinese "I'll take care of it for you," at the same time there are officials within a short distance to introducing his "wife" to the merchant tailor. In last care of its fail to 21 millions. In 1866 up to 22 millions, and introducing his "wife" to the merchant tailor. So, the merchant tailor of Central-avenue quantities of merchandize as sait him. In have been concelled by treaty, it is proved beyond doubt by experience that the Chinese being of imports and never has been seen since.

Hongkong, 11th May, 1870

So, the merchant tailor. So, the merchant tailor. When the limit of the lim officials will not respect them, and that they from the hands of British into that of Cincinnati Commercial.

will throw such obstacles in the way as Chinese merchants, is a natural result, and attributable to no other cause their

direction, it will be prevented from penetrating to many parts which it would reach,
if backed by the moral influence of foreign Consulates.

The constraint that, if we pllow it to drift in that
by precise is not so common as to assume minimal like periodic as yet. Formerly a great deal was
portaine as yet. Formerly a great deal was
to be prevented from penedirection, it will be prevented from penetrating to many parts which it would reach,
if backed by the moral influence of foreign for the Coast Ports, and
if backed by the moral influence of foreign for the Coast Ports, and
if backed by the moral influence of foreign for the Coast Ports, and
if backed by the moral influence of foreign for the Coast Ports,
and foreign Coasulates.

The purposes of the argument we assume in
produce as yet. Formerly a great deal was
and the ward to an investment of their offers. They declared
that it is purposes of the argument we must be
produce for the Coast Ports, and they declared
the fining of all they would remain the produce that they must be
to done by or florough fercign firsts in Chinese cas wide to the
produce for the coast To'clock on Saturday morning, and remained to their declared
that they must be
to done by or florough fercign firsts in Chinese as yet.

The Jury have floated then are the produce that they are the to do in Saturday morning, and remained that they declared
that they may have floated the they are the to be a floated to the form the declared
that they must be defined to a float the are the produce the produce that they must be
to do in Saturday morning, and remained then the produce the produce the produce the produce the pr

NOW READY.

Which is not so to any by those around him, it is not so to any them direct from England, which some do, by those around him, it is not so to any them direct from England, which some do, by those around him, it is not so to any them direct from England, which some do, by those around him, it is not so to any them direct from England, which some do, by those around him, it is not so to any or purchase them in the Hongkoug or Shang room, with a hanguant's knot dast on it. With the markets, and ship them for the Ports.

The Hand stine is found in the coole's under the cover of passes may be averted.

There can be no doubt late such a return as hair markets, and ship them for the Ports. Delivery.

In the latter case, In the system works well for the therebe put round her neck. The nesk during the fifteen years that clause was law, the opinions of a few influential men are extension of trade, for merchandize passes was hardly marked; in death by hanging check that amuggling which can now only not be advantageous to adopt, or at all events In some respects it works well, too, for the fur to go along with A retoom, because a woman Copies may be obtained at the Daily Press to enunciate, other views. Such a course foreign merchant. The Chinese trader goes had been missing since 9 a.m. He lefs the charge

to what is in accordance with their preju. requires and takes it away. There are no Avetoom told two women that his woman had sidered to be "the thing," no matter how that they can import direct from England told that his woman bud not been there for
